8BALL @ CLUB EASTSIDE

Join us for a friendly competition of 8Ball at Club East Side. 8Ball is a game that is played on a table with balls, much like pool. All levels of skill are welcome, you don't need to have played before.

NDIS PRICE GUIDE

If you are a MHACA participant and also have an NDIS Plan, please make sure you RSVP to all activities you wish to attend for pick-up and attendance purposes. Be aware that activities have limited spots.

If you can't make it to an activity you have already RSVP for, please cancel a week in advance. If you cancel late or don't show up, MHACA will charge you 100% of the activity cost. Talk to your Support Coordinator if you have questions.

Centre Capital Costs (CCC): These are per participant, per hour fee that contributes to the costs providers incur running and maintaining a centre.

Non-Face-To-Face Support costs: These are the behind the scene tasks that a provider does while the participant is not present, to ensure that they can participate in the group or centre based support.

PLEASE NOTE:

You do not need to have an NDIS Plan to access MHACA or any of the daily activities - all participants are welcome and encouraged to attend.
